

Hi, I'm Wilfredo

a Full Stack Developer

in Training

 Netherlands  wilfredosalazar255@gmail.com  github.com/codex2856  linkedin.com/in/wilfredo-salazar-dev

/ ABOUT ME

Junior Software Developer in training, currently pursuing a Master's in Full Stack Web Development at Conquer Blocks. Hands-on experience building and deploying websites for real-world projects, including domain configuration, deployment, SEO and analytics.

Currently developing skills in JavaScript, React, Python, Django, SQL, Git and GitHub, while using AI-assisted development tools such as Claude Code to accelerate development, troubleshoot issues and implement features.

Motivated to grow as a software developer and contribute to real-world projects while continuing to learn and develop professionally.
